COMPOUNDABLE OFFENCE SYSTEM

HOW TO UPDATE SHORT-CUT PROPERTIES FOR ORACLE WEB-BASED APPLICATION SYSTEM:

1. You are recommended to update the URL at:
   (a) any related ‘Shortcut Properties’ on the desktop. *(refer - attachment 1)*, OR
   (b) any related ‘Favorites Properties’. *(refer - attachment 2)*

   - Right-click on the ‘Shortcut Properties’ or ‘Favorites Properties’.
   - Select ‘Properties’ and click.

2. Then, the following window will appear.
3. You need to set the URL to this link: http://itdportal.iuu.edu.my/stadd/compound/
   Then, press OK, and close the browser.

4. Restart the browser and click on the updated shortcut or favorites of the Compoundable Offence System.
