HOW TO UPDATE SHORT-CUT PROPERTIES FOR ORACLE WEB-BASED APPLICATION SYSTEM:

1. You are recommended to update the URL at :
   (a) any related ‘Shortcut Properties’ on the desktop. (refer - attachment 1), OR
   (b) any related ‘Favorites Properties’. (refer - attachment 2)

   - Right-click on the ‘Shortcut Properties’ or ‘Favorites Properties’.
   - Select ‘Properties’ and click.

   ![Attachment 1. (icon on desktop)](image1)

   ![Attachment 2. (saved link in the favourite)](image2)

2. Then, the following window will appear.

   ![SRMS Properties](image3)
3. You need to set the URL to this link: http://itdportal.iiu.edu.my/stadd/srms/
   Then, press OK, and close the browser.

4. Restart the browser and click on the updated shortcut or favorites of the Student Residential Management System (SRMS).
